

The Pastor's Point . . .

The week we have been praying about and seeking God for is finally here. It is my prayer that you have prepared your heart and cleared your calendar for what God has for all of us at OBC over the next few days. God always keeps his promises and we have prayed, believing, in one accord, asking in Jesus name and God has heard.

The only thing left for us to do now is to be here to listen and obey the Holy Spirit. God cannot do the work in our hearts that He knows needs done if we will not give ourselves to Him and yield to the tender promptings and still small voice of the Comforter. Are you prepared to do that? Will you say yes to that gentle voice?

Our preacher for the week is no stranger to most of us here at OBC. Dr. Darryl Worley is the pastor of New Hope Baptist Church in Salisbury, NC just above Charlotte. The Lord has used him in extraordinary ways to build and strengthen every church he has pastured. New Hope has seen incredible growth and souls saved in recent days and it is abundantly apparent that God's Hand is upon Bro. Darryl. He will bless your heart, step on your toes, and make you think while bathing you in the truth of Scripture. You will get something profitable in every service, so you need to be present.

Tonight at 6 PM and then Monday through Wednesday nights at 7 PM will be the start of some "great and mighty things which thou knowest not..." Each service will be unique and different. We are asking the Holy Spirit to take control of each service and if we let Him, he will.

I believe that our days are getting short and that what we are going to do for the Lord Jesus we must do quickly, passionately, and urgently. The Lord's return is imminent and closer now than it has ever been. **Read your Bible—wake up!** It is high time for all believers, especially those of here at Oakside to awake out of our slumber and complacency and live right and do right so that we can reach all we can with the message of Christ.

Would you be ready to stand before Him today? Would you be ashamed—or confident that He would say "Well Done!". This week will help us all get ready, get right, and get revved up for the work. The lives and eternal destiny of your friends and loved ones may rest on what you do this week. Don't take that lightly.

"Wilt thou not revive us again, that thy people may rejoice in thee?" is the question we have begged God to answer. He will if we each meet his conditions of humility, brokenness, and purity of heart. My prayer is that you have done so. God bless you.

Welcome

August 29, 2010

We are so glad that you have decided to worship with the Oakside Baptist Church family this Lord's Day! We want to be a place where people experience the love of Christ, grow in a strong personal faith in God, and actively minister to those around them with a heart of service.

Visitors are encouraged to register their visit and place the card from the Church Pack in the offering plate. After the morning service, Pastor and Mrs. Stephanie will be at the back and would love to meet you personally.

We ask that you do not bring food and drinks in the Auditorium and that you turn off all cell phones so as not to cause a disturbance during our worship time. We encourage parents to utilize our loving and secure childcare facilities for children under age 3.
